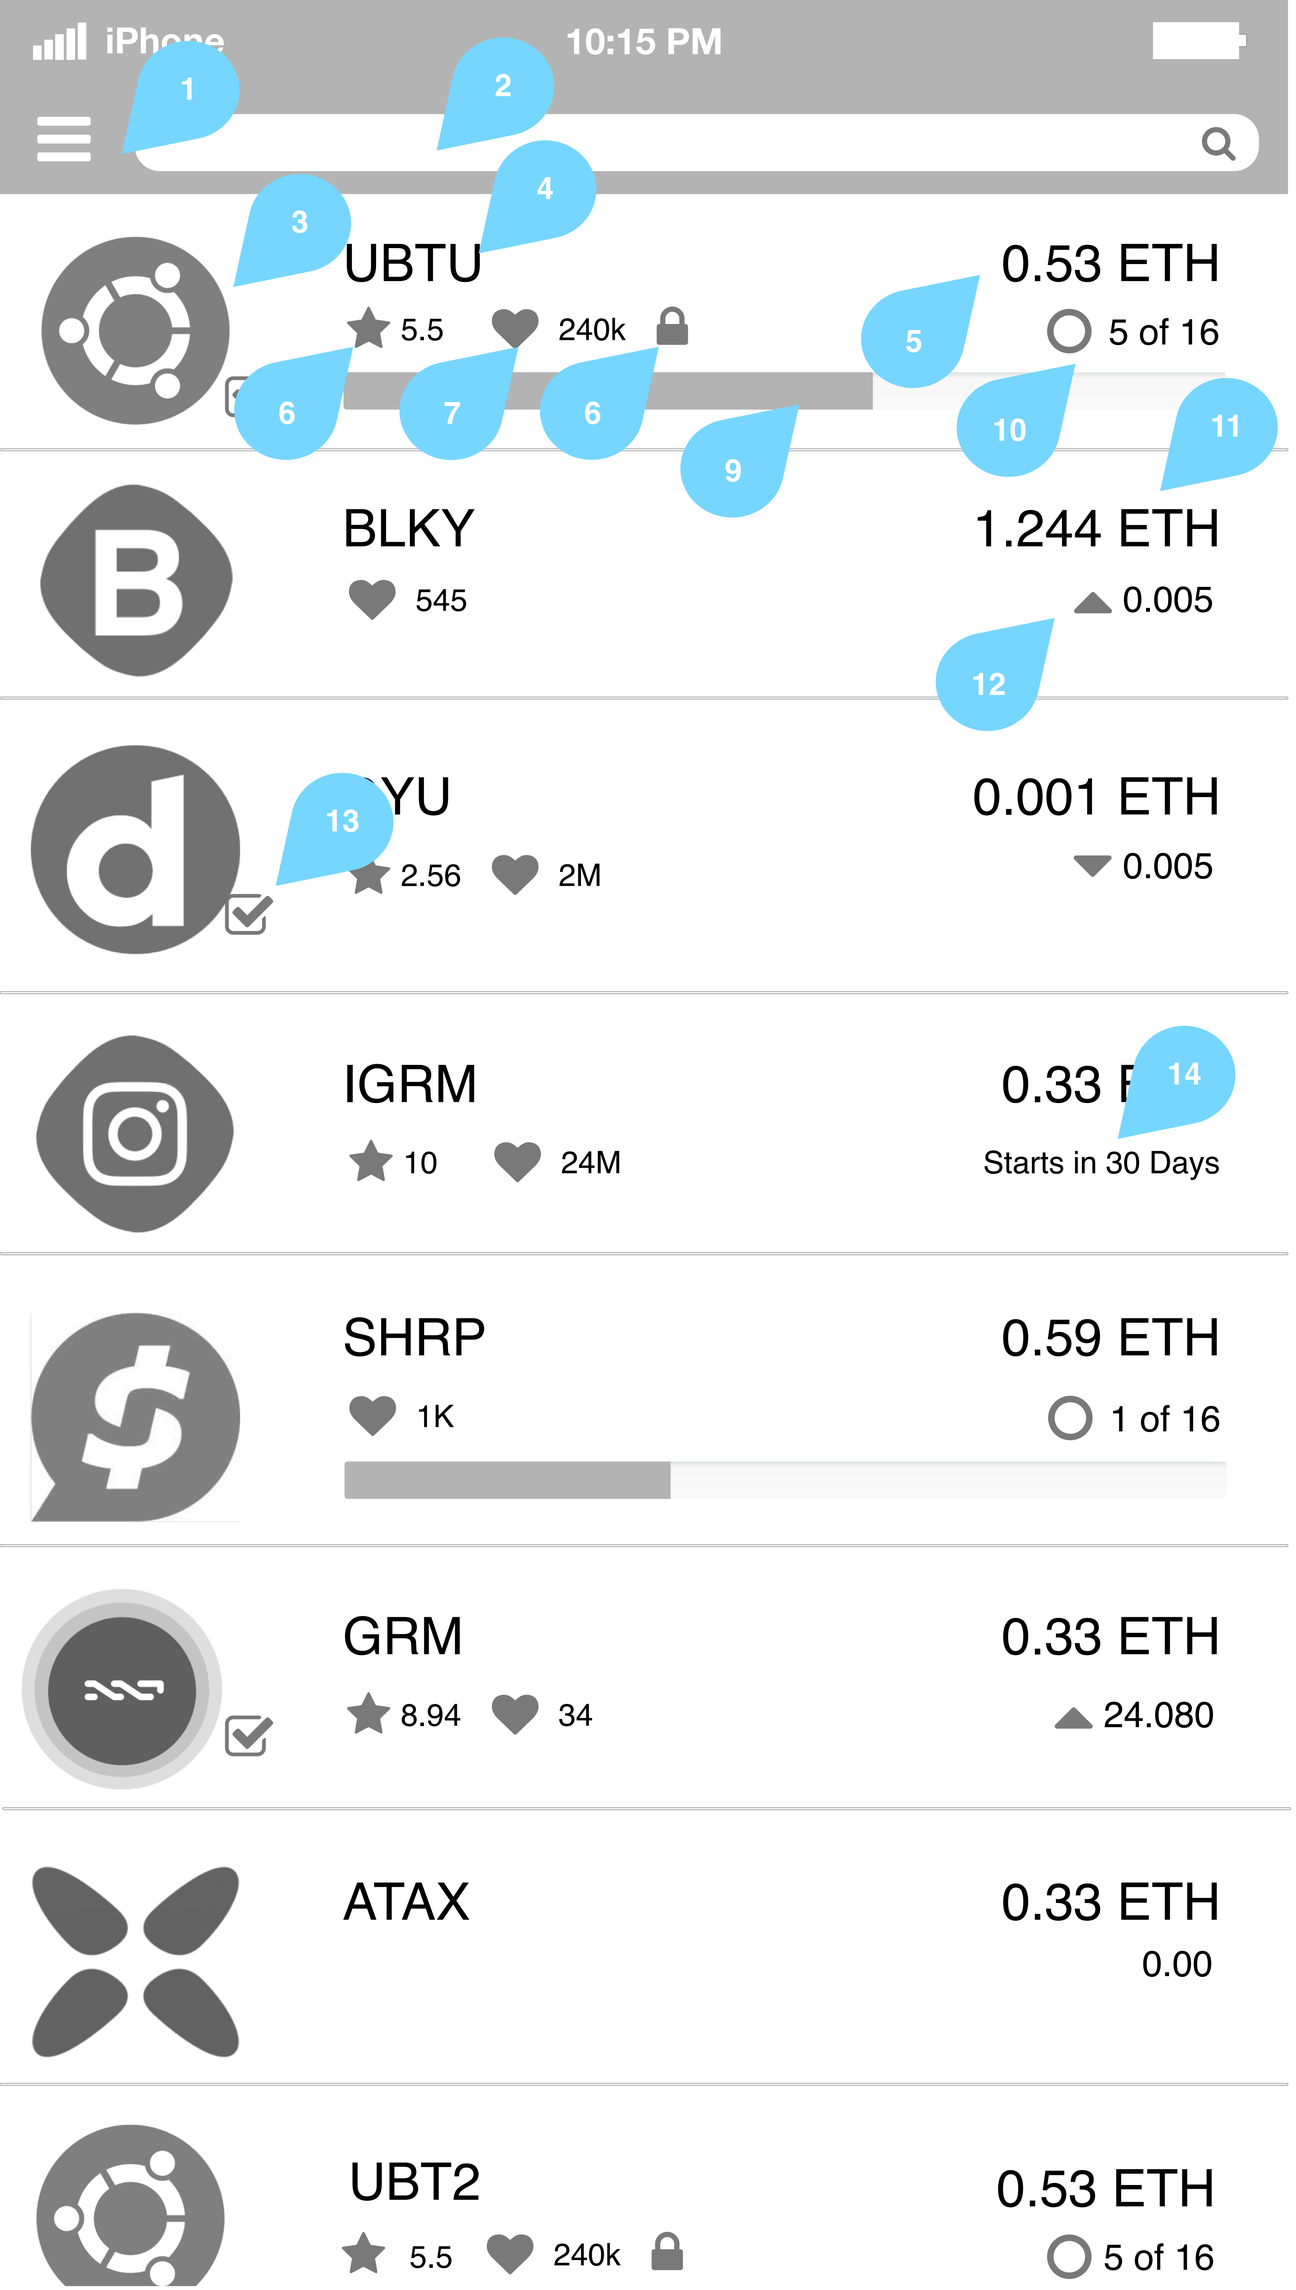
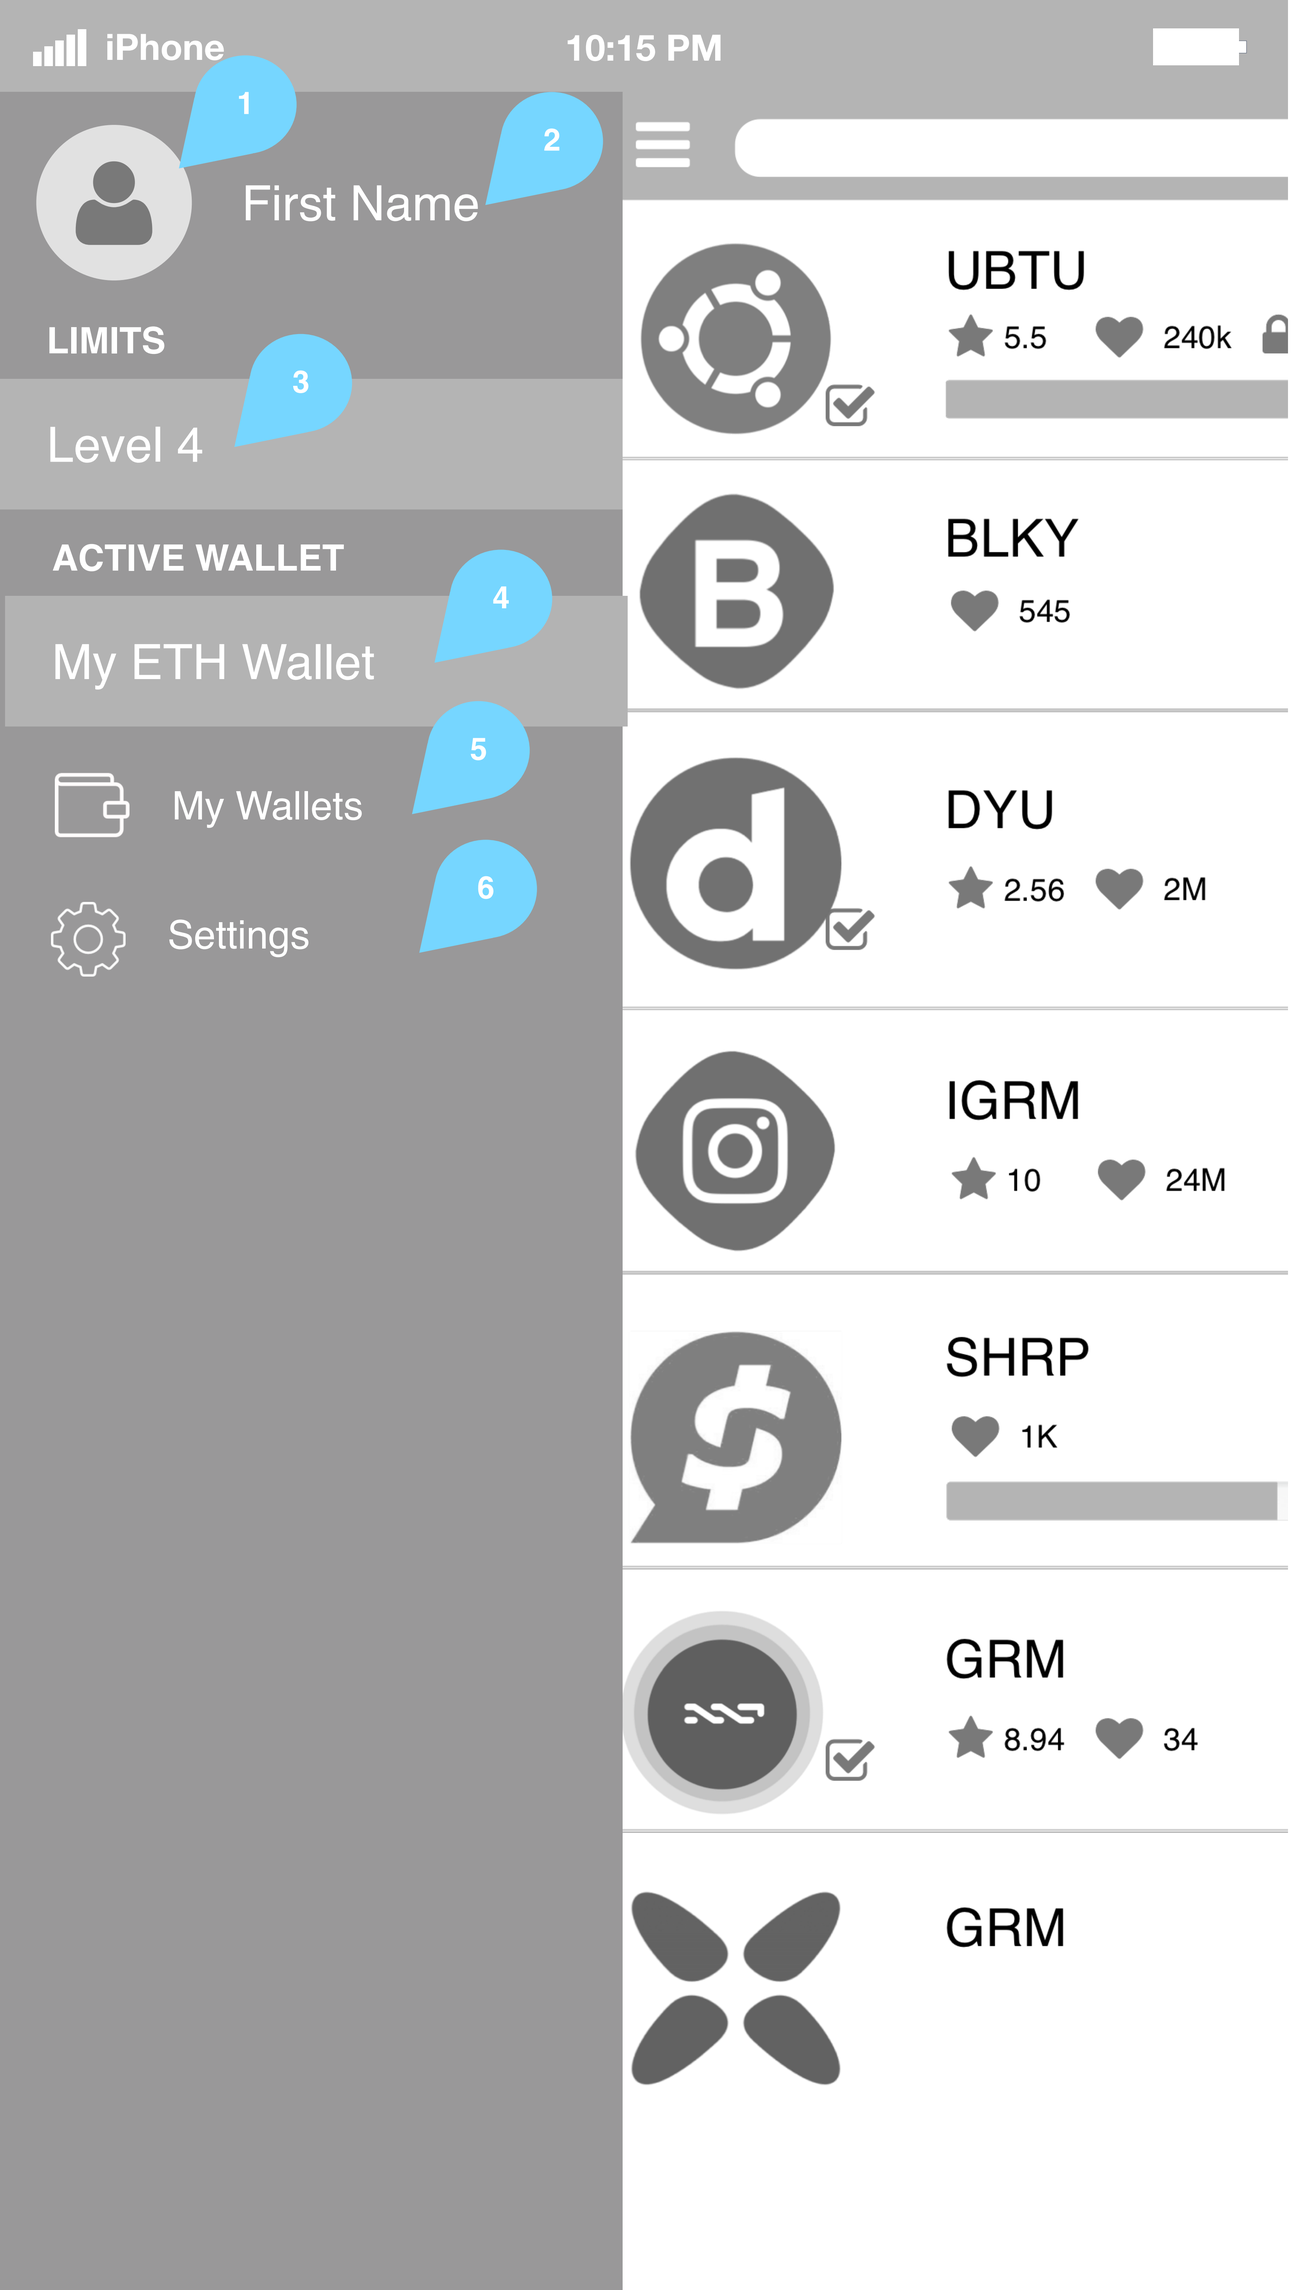
iPhone 10:15 PM

MONiCO



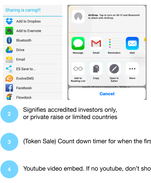
1. Profile Aside CTA
2. Ticker Search
3. Logo:
   Square
4. Ticker Symbol:
   Unique ID
5. (Token Sale) Value of Token given the round:
   Currency depends on the Settings or Active Coin Wallet
6. Average rating given by auditors
7. Number of participating consumers (people with that token wallet)
8. (Only Token Sale) Signifies accredited investors only, or private raise or limited countries
9. (Only Token Sale) Progress of current round
10. (Only Token Sale) current round out of total rounds
11. (Exchange only) Exchange Rate:
    Depending on the Settings or Active Coin Wallet
    Value of actual trades over time (last 5 min, last hour)
12. (Exchange only) Progress Symbol:
    Depending on the Settings or Active Coin Wallet
    Difference of trading value compared to 24 hours ago
13. Has been 100% audited
14. ICO that has not started yet



1. Click should direct to KYC popup screen
2. Click should direct to KYC popup screen
3. Click should direct to KYC popup screen
4. Dropdown to choose active wallet
5. Click should direct to wallet popup screen
6. Click should direct to settings popup screen

ICO Detail Screen that hasn't started

1. Share CTA
   Should show share popup



2. Signifies accredited investors only,
   or private raise or limited countries

3. (Token Sale) Count down timer for when the first round starts

4. Youtube video embed. If no youtube, don't show

5. Project Summary
   no limit but with a recommended limit of 200 words (?)
   more and less CTA

6. This can be product images, demo slides etc.
   Fixed width and height cropping.
   no limit. It's their fault if they put too much info.
   If no images, hide section

7. This can be any valid document types, PDF, DOCX, XLSX, PPTX
   no limit. It's their fault if they put too much info.
   If no documents show "No documents included"
   Show File name with a link that clicks through.
   Max characters 20(?) with a hellip (...)

8. Website Link, Email Link, Facebook Link, Telegram Link, YouTube Channel Link, GitHub Link, Medium Link
   If no links then show "No links provided"

Can we possibly to an auto pull as well as allow them to add links?

9. Article Image. If no image, then default image

10. Article Title with link. Max length 50(?) with a hellip (...)

11. Team photo, circle, fixed cropped width height

12. Name of Team member
    hard stop at 50 characters (?)

13. if we have an endorsement letter or some sort of approval that they are apart of the team

14. Position of Team member
    hard stop at 50 characters (?)
    If no position, hide

15. Facebook Link, Telegram Link, GitHub Link, Medium Link
    Should click through

16. Team Member Summary
    No limit, but with a recommended Limit of 100 Words (?)
    If no summary, hide
    more and less CTA

17. If we don't have an endorsement letter or some sort of approval that they are apart of the team

Generally same as team section

18. Advisor Company or Advisor Role
    hard stop at 50 characters (?)
    If none, hide

19.
- Platform
- Business services

- Marketing
- Employment

20. Development, Alpha, BETA, Live

21. Token Raise or Exchange

22. Unique Ticker Symbol

23. ERC20, STELLAR, NEM, NEO, etc...

24. # of authorized tokens
    Comma separated

25. General Public, Accredited Investors, Limited Countries, Private Raise

26. Exact # of people who have the wallet

27. Full list of accepted payments using ticker symbols
    Next line on overflow

28. Round Count (not the name)

29. Final value per token.
    Currency depends on the Settings or Active Coin Wallet

30. If current round, "Ends" and relative in days and hours

31. If future round, "Starts" and relative in days and hours. If past round, "Ended"

32. # of tokens available per round
    Comma separated

If no audit report, should say "No audit has been performed"

33. Water mark badge like, which projects can use on their site with score or rating

34. City, then country

35. When they upload their business license should be Verified, otherwise Unverified

36. When they upload some sort of proof of government license should be Verified, otherwise Unverified. If there is no need for a license should be Not Applicable

37. A team should have at least 4 members
    business/operations/executive, technology, sales/marketing, finance each valued at 10 points. Every consecutive member is valued at 5 points, redundant members are valued at 3 points. Any Unverified members are valued at 2 points.

    In this example:
    Verified Business - 10 pts
    Unverified Technology - 2pts
    Verified Operations - 3pts (redundant with Business)
    Unverified Sales - 2pts

    17 out of 40

38. Privacy Policy - 10pts custom, 5pts generic
    Terms and Conditions - 10pts custom, 5pts generic
    WWW/WWW Sites - 10pts custom, 5pts generic
    Validated DPA architecture or sourced to third party service - 10pts, planned 5pts
    Inexposure of sensitive data - racial or ethnic origin; political opinions; religious beliefs or other beliefs of a similar nature; trade union membership; physical or mental health or condition; sexual life; the commission or alleged commission by the data subject of any offence; or any proceedings for any offence committed or alleged to have been committed by the data subject, the disposal of such proceedings or the sentence of any court in such proceedings - 20pts, planned 10pts

39. Architecture Design - 5pts
    Redundancy - have 10pts, planned 5pts
    Deploy Process - have 10pts, planned 5pts
    SOR or containers - have 10pts, planned 5pts

40. Token Diagram - 10pts
    Utility Pattern is 10pts, Security or Cryptocurrency is 20pts, Commodity is 4pts
    Passes Howie Test or Clear security with Government Permit - 10pts, 2pts

41. Lines of code * contracts
    - Complexity Score forech contract
    - lines in function where there is a bug
    Scan Hash +100pts

42. Not Sure...

43. Logos of auditors.
    Fixed cropped width and height
    If more than 4 then next line

44. Official webpage or PDF of report made like a certificate page

44. Name of Auditor
    hard stop at 50 characters (?)

45. Auditor photo, circle, fixed cropped width height

47. Company Name
    hard stop at 50 characters (?)
    If none, hide

48. Comment
    No limit, more and less CTA
